**Phone:** (+91) 9510817146

**Email:** shivanijoshi075@email.com

**LinkedIn:** linkedin.com/in/shivanijoshi05/

**Location:** Ahmedabad, Gujarat

## Objective

A Student of computer science and AI enthusiast seeking an opportunity to learn and develop new skills to enhance my abilities to contribute to the IT industry.

## Language Proficiency

English

Hindi

Gujarati

## Education

### BE Computer

Jul 2019 - Present

**Vishwakarma Government Engineering College,  
Ahmedabad**

Under Gujarat Technological University, Score: 8.04 CGPA

### HSC

Jun 2018 - May 2019

**Prime Science School, Jamnagar**

Under GHSEB, Score: 85%

### SSC

Jun 2016 - Mar 2017

**Shree Satya Sai Vidyalaya, Jamnagar**

Under GSEB, Score: 90%

## Technical Skills

Python

Data Science

Machine Learning

Data structures &

Algorithms

## Projects

Nov 2021 - Present

**Speech Emotion Recognition System:** Contributing as a team leader in the development of a system which recognizes the emotion in human speech by the tone and the pitch of a voice as it reflects the emotions.

Jul 2019

**Flower Species Recognition:** The purpose of this machine learning project is to train model based on characteristics of the iris dataset. Once trained, the model is then able to predict flower species.

## Soft Skills

Attentive Learner

Teamwork

Problem Solving

Leadership

## Certifications

**Artificial Intelligence** - Under Techsakhsham Program supported by Microsoft, SAP and Edunet Foundation

**Getting Started with Data Science** - OpenSAP

**Learning Data Visualization** - LinkedIn Learning

**Learning Data Analytics** - LinkedIn Learning

**Certifications Link:** <https://rb.gy/xlns5l>

## Extra-Curricular

Member of the Social

Media Team

National Service Scheme

Volunteer
